Reasons for Allowance

1. Claims 5-8 are canceled.
2. Claims 1-4 are allowed.
3. This is examiner's statement of reasons for allowance.

Regarding claims 1-4, the prior art, either singularly or in combination, does not teach or suggest a print media sensor apparatus comprising:

"...first sensor slide movably mounted in said first base for longitudinal movement of the first sensor amongst a plurality of positions within said first base, a first rotatable elongate member disposed in said base, said first rotatable elongate member configured and adapted to engage said first sensor slide; said second sensor slide movably mounted in said second base for longitudinal movement of the second sensor amongst a plurality of positions within said second base, a second rotatable elongate member disposed in said second base, said second rotatable elongate member configured and adapted to engage said second sensor slide; means for engaging said first and second rotatable elongate members; and means for rotating at least one of said rotatable" elongate members."

The features identified, in combination with other claim limitations, are neither suggested nor discussed by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
